DEPARTMENT PROFILE

DEPARTMENT OF SOCIOLOGY

INTRODUCTION -

Sociology is an important subject of study in humanities, which is being taught to the Students at the under-graduate level in almost all the colleges.

Sociology is taught to the Students not only from the point of view of examination but also from the point of view of their social relations social consciousness and social responsibilities since man is a social animal. They are made to realise how they are connected with the various institutions of society like Marriage, Family, Population, Rural Society, Industrial society, Urban society, Problems faced by the society and solutions and research methodology.

AMBITION:

The Dept. of Sociology of the college aspires to start the P.G. Course in Sociology with the active support of the management and cooperation of the Principal. The Dept. hopes to start the P.G. Course with the blessings of the university.
